Mr. Dan Goldsmith, 3024 Curran Road, Louisville, Ky., owner of Coogla Cut Rate Store at 925 West Broadway, says there just aren't enough words in the English language to praise HADACOL correctly. He says he knows most folks don't realize what a change HADACOL can make in their life if their systems are deficient in Vitamins B1, B2, Iron and Niacin.

Here is Mr. Goldsmith's statement.

"Before I started taking HADACOL I was run down and nervous — and had a hard time sleeping nights. With my work in the store I have to spend sometimes 14 hours a day on my feet. Since I am in the retail business I saw how many folks were asking for HADACOL so I decided to try it myself. After the first couple of bottles I could tell a definite improvement. Now I have all the pep and energy in the world, my nerves are steady as a rock and I really do get a good night's rest. HADACOL is wonderful — I not only take it, but recommend it to all my customers. I praise the day Senator Dudley J. LeBlanc put HADACOL on the market."

HADACOL Is So Different

Thousands are benefiting from HADACOL . . . whose deficiencies in Vitamins B1, B2, Iron and Niacin. HADACOL is so wonderful because HADACOL helps build up this hemoglobin content of your blood (when Iron is needed) to carry these great Vitamins and Minerals to every body organ — to every part of the body.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take — you get your money back. Only $1.25 for Trial Size; Large Family or Hospital Size, $3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

For Power with Economy...it's High Compression!
FOR HIGH COMPRESSION... IT'S THE "ROCKET"!
"88"

Ever since Oldsmobile introduced the "Rocket" Engine two years ago, seems like everybody claims "high-compression"—but nobody explains it. The phrase simply means squeezing the gasoline into a smaller space before exploding it. This gets more power out of the same amount of fuel. But the engine must be designed for high-compression *all the way through* to assure smooth, quiet, gas-saving performance. The "Rocket" is 100% high-compression —from the crankshaft out. And the lowest-priced "Rocket" Engine car is Oldsmobile's "88." Makes good sense to try it soon—doesn't it?

FOOTBALL SEASON ENDED ALL SQUARE

Appomattox ended its football season Wednesday night at Farmville and lost to the big Farmville High School team 45 to 12. Farmville had one of the best teams played by A. H. S. all year. Edd Cawthorne put on his usual fine game for Appomattox and scored one of the touchdowns and passed to Bobby Chernault for the other. Bill Jamerson and Henry Doss played well defensively for Appomattox.

Appomattox ended the season by playing .500 ball. They won games from E. C. Glass Junior Varsity, Crewe, Randolph Henry High School and Amherst. They tied Bedford, the District Four champions, and tied Nicholsfield. A. H. S. lost to Blackstone, Altavista, Virginia Episcopal School and Farmville. The schedule was a hard one, and the all-even record is considered good.

The Junior Varsity lost two games this season. They lost to Lovington, 13 to 0, and to Va. E. S. Junior Varsity 7 to 6.

HANDLE RABBITS WITH CARE

November 20 was the beginning of the rabbit hunting season, and with it came a word of warning to hunters, trappers and housewives from Dr. L. J. Roper, State Health Commissioner.

"Rabbit fever, or tularemia, is a serious disease contracted by the careless handling of wild rabbits. Extreme caution should be observed at every stage, from the hunting field to the dining table," according to Dr. Roper.

"All rabbits running wild in the Virginia woods are not infected with rabbit fever, but it is wise to assume that every rabbit is potentially dangerous and that it be treated accordingly.

"Gloves, preferably rubber ones, should be worn when touching the animal—especially if there is a small cut or scratch on the hands. After the meat has been prepared for cooking all fur, contaminated paper and refuse should be burned, gloves and implements sterilized and hands washed thoroughly with soap and hot water.

"The meat should be boiled twenty minutes regardless of whether it is to be fried, stewed or made into a pie. This is an essential safeguard to destroy any disease germs that may be present.

"Although these precautions may sound troublesome they are not too high a price to pay for freedom from the threat of tularemia," Dr. Roper concluded.

LONGWOOD ALUMNAE INVITED TO MEETING

Appomattox County alumnae of Longwood College (S. T. C.) will meet at the Appomattox High School Cafeteria December 7, at 7:30. An interesting musical program will be presented by the Longwood Music Department.

All chapter members are urged to be present and all other Longwood alumnae are cordially invited. Mrs. Florence Trent is local president.

90 COUNTY MEN IN ARMED FORCES

According to latest available figures from Selective Service, there are now 90 from Appomattox County serving in the armed forces.

A. H. S. BASKETBALL SEASON OPENS FRIDAY

Appomattox High School will open its home basketball season Friday night at Concord when they meet Concord High School in girls and boys games. The first game will start at 7:30 P. M. This year's girls team should be greatly improved over that of last season, since the members have gained experience. Barbara Carter is captain for the girls. Forwards are: Barbara Johnson, Beatrice Totty, Virginia Chandler, Barbara Carter, Nina Barlow and Loretta Doss. Guards are: Helen Mae Poe, Ann Goad, Betty Fae Burke, Sylvia Burks, Betty Gamble and Jane Holt.

The boys team will be out to better last year's record which was a dismal one with no games won. Red Thomas is captain. On the team are: Earl Agee, George Buchanan, Dan Carson, Bobby Chernault, Henry Doss, Wade Drinkard, Ottoway Guill, Carlton Guill, J. T. Guill, Jesse Harvey, Bill Jamerson, Billy Johnston, David Martin, Leon Paulette, Jesse Rosser, James Slagle, Calvin Tanner, Carlton Thomas, Clarence White and Raymond Wingfield.

All of Appomattox's home games will be played at Concord due to the lack of a gymnasium in Appomattox County. It is hoped that some interest will be taken in basketball this year. It is still a new game at A. H. S.

MR. R. I. SCOTT

Mr. Robert Irvin Scott, park ranger stationed at the Appomattox National Park, died November 24 at Virginia Baptist Hospital after a three-month illness.

CHRISTMAS SEAL SALE NOW UNDER WAY

Three little angels, one singing from a scroll of music as her companions play musical accompaniment, are featured on the green-and-red 1950 Christmas Seal, sheets of which are being received this week in local homes. The Seal Sale officially opened November 20 over the nation. According to Mrs. Harold Spencer, county chairman of the Seal Sale, more than 1,100 residents are receiving sheets of Christmas Seals this week, and with each sheet goes a return envelope for the return payment.

Miss Katherine Burge is chairman for the town of Appomattox; Mrs. Dora Conner for Southside District; Mrs. Richard Smith for Stonewall; Mrs. Abbitt Coleman for Clover Hill; Miss Julia Asher, white teachers, and Mrs. Mozella Price for Negro teachers.

Appomattox's quota is $750.00, the minimum needed to carry out the 1951 tuberculosis prevention and control program of the Appomattox Tuberculosis Association.

HUNTING SEASON GETS SLOW START

The opening of the 1950 hunting season in Virginia brought reports of mixed successes from all over the state (according to officials of the Commission of Game and Inland Fisheries.

The southern Tidewater counties that usually supply a heavy percentage of the opening day kill reported a disappointment to the nimrods on opening day this year. High winds up to 20 and 25 miles per hour and dry conditions made good dog work almost impossible.

Mountain counties west of the Blue Ridge reported better than average success, however, and with the improvement of weather conditions, Tidewater hunting is expected to swing rapidly back to its usually good success ratio.

EVERGREEN W. M. U.

The W. M. U. of the Evergreen Baptist Church held its regular monthly meeting Wednesday night, November 22, in the home of Mrs. H. B. Cralle. There were 18 members present. An interesting stewardship program was presented by Mrs. H. C. Staples. The mission study book, Highways in the Desert, by Ida Patterson Slorm, was taught by Mrs. Clara Garrett.

The next meeting will feature a Christmas program and will be held in the church.

Christmas Street Lighting

Plans are afoot to install Christmas lights on streets in Appomattox at once. Outdoors decorations for homes are also being encouraged.

Chicago, Ill., Nov. 29 (Special to Times-Virginian) Mildred Mann, a 4-H'er from Appomattox County, Virginia, is one of two national winners to receive a $300 scholarship for work in the 1950 Laundry Contest.

An oft-time prize and contest winner, Miss Mann has been in club work six years, and has completed 22 projects. She has given 65 demonstrations to over 600 people. Some of these demonstrations were on making bread, canning, washing and blocking sweaters, pressing woolens and ironing and folding a man's shirt.

Heretofore, Virginia 4-H'ers have placed in two national contests: Herbert Milton, Charlotte County, soil conservation in 1958; and Mrs. Margaret Svoboda, now Roanoke County Home Agent, canning in 1926.

This year, Virginia boasts four national winners and four runners-up. Other 1950 winners in national contests from Virginia are; Nancy Rockingham County, Reverecomb, winner in recreation and rural arts contest, expense paid trip to Chicago; Hobert Pratt, Henry County, field crops, $300 scholarship; and Ruth Fenne, Henrico, clothing achievement, $300 scholarship. The runners-up who stand in line to receive $300 college scholarships are: Darrell Large, Dickenson, second alternate in farm and home safety; Mary Lee Wampler, Augusta, fifth alternate in canning; Charles Poland, second alternate in poultry achievement; and Patsy Norwood, second alternate in home improvement. The announcements were made at the National 4-H Club Congress in session in Chicago November 25 - 30.

A total of 25 club members and others were in the Virginia delegation to the National 4-H Club Congress this year. Attending from Appomattox are Mildred Mann and Jay Stewart, 4-H Club members, and Mrs. Ella S. Anderson, Home Agent.

MISS WHITE PRAISED FOR ROLE IN PLAY

Most flattering comment has been accorded Miss Beulah White, of Appomattox, for her ability as an actress, in her portrayal of the lead role in The Heiress, a presentation of The Little Theatre Group in Lynchburg. The play will run a week. Many from here have attended a performance. Miss White's role is one made famous on the stage and screen.

MISSION STUDY CLASS

There will be a Mission Study Class taught at the Trinity Methodist Church Sunday evening, December 3, from 1:30 to 4:30, entitled, "Near East Panarama." Miss Mildred Kelley will teach the book. Everyone is invited.

Dark Tobacco Sells Well Opening Week

As growers began marketing the 1950 crop of dark tobacco this week they were cheered by good prices and by indications that there will be no further reduction in acreage for next year's crop.

Volume of sales were good Monday, both at Farmville and Lynchburg warehouses, but were lighter Tuesday and Wednesday.

Prices have been upwards of 35 cents per pound as an average and many local growers have averaged far better than the market level.

Next year's quota for dark-fired tobacco will be the same as for 1950: 39,200,000 pounds.

Tobacco Loan Rate

The 1950 loan rate on Virginia fire-cured tobacco, Type 21, will average 34.3 cents per pound, according to R. B. Bridgforth, chairman of the State Committee of the Production and Marketing Administration.

Last year's crop was supported at an average rate of 30.2 cents per pound.

Loan rates by grade this year will range from 15 to54 cents, he said, and are from 3 to 9 cents a pound higher than the same grades averaged last year.

This year's higher support levels reflect higher parity for tobacco than a year ago. Under the law, the U. S. Department of Agriculture is required to support fire-cured tobacco at 75 per cent of the Burley tobacco support rate to growers who cooperate with marketing quotas. Burley supports are set at 90 per cent of parity on September 15.

The 1950 flue-cured tobacco crop, the one already sold, averaged about ten cents per pound above the support price. Likewise, increasing incomes under the national defense program are expected to increase the demand for all types of tobacco and keep the average sales prices above the support prices.

MOSES MOTOR CO. TO SHOW '51 MODELS

First showing of the new 1951 Chevrolet cars here will take place on Saturday, December 9, at the showroom of Moses Motor Co., it was announced today by John T. Moses. An all-day and evening open house will introduce the new car to local residents at the same time the 1951 model is making its bow in other Chevrolet dealerships throughout the country.

Mr. Moses recalled yesterday that the 1931 and 1941 Chevrolet cars were among the most popular cars turned out, and he stated there was every reason to believe that the 1951 models will not only maintain Chevrolet traditions but will excel all past models in performance.

He also invited everyone to visit Moses Motor Co. show rooms December 9 to see this new car. Gifts for the ladies and other guests will feature the showing.

NOTICE TO SUBSCRIBERS

The subscription price of the Times-Virginian has not increased during the long period of its present ownership. The rate was $1.50 a year back in 1931, when we started ownership of this paper. It has been that rate nearly all of its 58 years since 1892, even when it consisted of only four pages. In 1931, dark tobacco averaged 4.7 cents per pound. This week it is nearly 40. That's is the way things have gone up in price; including paper, metals, and the many items that go into producing our larger paper. It is with reluctance that we find ourselves forced to raise our subscription rate. But, we have no choice. Beginning January 1, 1951, our subscription rate will be $2.00 per year, payable in advance. Until January 1, we will accept new subscriptions and renewals at the old rate of $1.50 per year, but must limit all renewals to one year at that rate. See the label on your paper today. If you are not paid up a full year in advance, we advise you to renew at once. We also suggest a gift subscription as the best Christmas present you can give for $1.50.
